

# SPACE TECH EXPO EUROPE

## INVITATION TO ATTEND

**November 17-19, 2015**  
**Bremen, Germany**  
[www.spacetechempo.eu](http://www.spacetechempo.eu)

## COMPLEX SYSTEMS & SMALL SATELLITES

**C3S Electronics Development LLC** will be exhibiting at Space Tech Expo Europe, 17 – 19 November 2015 at Messe Bremen, Bremen, Germany and we're inviting all of our friends and colleagues to join us at Europe's dedicated space event for spacecraft, satellite, launch vehicle and space-related technologies.

**FRIENDS OF C3S ELECTRONICS DEVELOPMENT LLC  
REGISTER FOR FREE!**

Attending the exhibition is completely **FREE**, your pass includes access to 180+ spacecraft manufacturers and suppliers, industry and technical forums in the expo hall, networking receptions, B2B Matchmaking and much more! If you have a stake in the space industry, attending the show in Bremen is a must!

We'll be at **booth J40**, so come by and meet the team Tuesday through Thursday.

Register for your free pass by following [this link](#).
